EVIVVA TRATTORIA - Wrentham

Join us for a relaxed, informative evening where you will learn the essential estate planning tools to protect the people and things you love most. Attorney Lauren Caisse brings real-life (and occasionally humorous) stories that make complex topics easy to understand —and even enjoyable.

Enjoy a complimentary dinner in a welcoming, no-pressure setting where you can ask questions, get clarity, and leave feeling more confident about your plan.

RSVP required. We would love to see you there!
